Create all kinds of chalkboard configurations with this gorgeous and versatile Triple Outdoor Magnetic Chalkboard. With a coating that's vandal-resistant—designed to protect against both etching and scratching—and long-lasting, this chalkboard is the perfect teacher's aid, allowing children to be educated and entertained for hours. Plus, you can customize your chalkboard in a variety of vibrant colors, including red, yellow, blue, green, tan, black, and white. And our four-foot panel is the perfect storage space for chalk and other drawing supplies. Our in-ground version comes in many different panel sizes, including Single, Double, Triple (T-configuration or Zig-Zag, both shown here) and Quadra. All of our chalkboards are ADA accessible and come including stainless steel hardware.
