

Wheeled Storage Cart

MSRP \$1,081.00

SALE \$973.00

Age Group: 6 months to 5 years

The Storage Unit is the perfect mobile station for housing arts and craft supplies, or anything else kids might need. Its main compartment has plenty of space with shelves for sorting it. These compartments can be closed up behind two sliding doors when not in use. These doors can easily be fitted with a lock if you want to make sure that kids stay out of the cabinet when not in use. The top of the cart has four cup holders which can be used to store paints, markers, and brushes, and the top of the cart itself makes a perfect surface for coloring or crafts.
