Age Group: 2 to 12 years

Kids will have a great time while developing their artistic and creative skills while they work on this high-quality Craft Table. Its square shape ensures that every child will have an equal amount of space as they work on their arts and craft projects. Beneath the upper table top there is a secondary level which is perfect for storing paper, markers, and other supplies or even finished projects. This way they are within reach, but not cluttering up the work space. With a surface space of 32 square inches, there is enough space for several children to work at once.
