With the Four-Way Youth League Step Down Rubber, you'll increase the longevity of your pitcher's mound and enhance your stability. The Step's weather resistant, heavy-duty rubber is designed to hold up to long-term installation, and the carefully-crafted rubber halts damage to the mound, minimizing diamond maintenance. The step also aids in supporting the pitcher's footing and stability as they release the ball. And the Youth size acts as a tremendous tool to teach young players to pitch properly. Classic, affordable, and versatile, the Youth League Step Down will stand up to years of everyday use and hearty play.
