Kids will delight in hours of whimsy and fairytale make-believe with our charming and practical Garden Bridge. Crafted from 100% recycled structural plastic, this fanciful bridge is perfect for schoolyards, home gardens, and community centers. Available in a range of pleasing color combinations, the Garden Bridge features a handrail, arched planks, and weather-resistant hardware. Plus, our bridge comes with a warranty, ensuring that your investment is safe through years of steady use. The bridge is suitable for children ages two to five and holds three to four kids. Fairies, bridge trolls, and magic spells not included.
