Forecast says lots of fun! The delightful, educational, and engaging Freestanding Weather Panel instructs children about the different types of weather, as well as teaches them the days of the week. This panel pairs perfectly with some of our outdoor classroom accessories and ties in well with lessons about science, climate studies, and sound environmental stewardship. Plus, it's perfect for Circle Time! Kids can sing songs about the days of the week, discuss rainy-day activities, and learn about the different types of clouds. Add our optional rain gauge and thermometer for more educational content and lesson aids!
