Take shelter and create in the shade with the unique and inventive Sun Shelter Sandbox. The arbor keeps children safe from the sun's rays, meaning that kids can play and build for hours, regardless of weather. Adults and caregivers can relax on the bench border, making it a fantastic play structure for both kids and adults. The Shelter has lots of headroom, so teachers and parents can hop inside with their tots. Plus, the Sandbox holds up to five to eight children, making it a boon for care centers, parks, and high-traffic backyards that host lots of kids. With its classic design and superb functionality, the Sun Shelter Sandbox will provide plenty of fun for years to come.
