Wheelchair-Accessible Elevated Sand Table

Discover boundless fun and creativity with our Elevated Sand Table, a cornerstone of outdoor play. This sturdy and adaptable outdoor sand table is more than a space for building sandcastles; it transforms into a planter, opening up another world of sensory exploration and creative play. Designed with accessibility at its core, this table welcomes children of all abilities, including those who use wheelchairs, making it an inviting sand table for playground environments.

Our elevated playground sand table is crafted from premium, commercial-grade materials, ensuring that it withstands the elements and the vibrant energy of children at play. Meeting ASTM and CPSC standards, it promises to be a safe and lasting addition to any play area. [\[Read More\]](#)
