Dive into a watering hole of whimsy and fun with the Learning Puddle. Kids will delight in pouring, manipulating and floating found objects and toys in this charming play accessory. Featuring a modern silhouette, wide rim for toys and blocks, and three sturdy legs, the Learning Puddle is as stylish as it is functional. The playset accommodates up to four tots and is the perfect height for children ages two to five of all ability levels. Because sensory learning is a crucial component of childhood development, the Learning Puddle is educational, sure to inspire hours of imaginative play and socialization. It comes complete with a durable and convenient cover for easy cleanup.
