

Freestanding Whistle

MSRP \$745.00

SALE \$652.00

Highlights:

- Great addition to any playset
- Makes a fun noise
- Works on arms strength
- Fits well with any existing play structure

Age Group: 2 to 5 years

Add some dynamic melodies to any playtime structure with our Freestanding Whistle. The instrument attaches to any wood or metal structure, adding creative interest to your existing playset. It measures three feet and comes in a range of shades to match your playground equipment aesthetic. Created with children two to five years of age in mind, it's accessible to kids of many ability levels and will pair nicely with our bongos, drums, and other musical play accessories. Composed of heavy-duty, weather-resistant materials, the Freestanding Whistle will stand up to elements and provide hours of creative fun for the children in your life.
