Weave, dodge, and outwork your opponents with our Coaching Sticks with Base. The versatile training equipment can be used in both indoor and outdoor fields and is composed of 60"H x 1" OD Yellow plastic poles. Fill the hollow bases with sand for stability and watch your players work against the increased resistance. Arrange them into an obstacle course so your team can practice like champs, building stamina and agility. The Coaching Sticks are made of heavy-duty, weather resistant material and constructed to withstand years of rigorous practice. Winning plays and team spirit sold separately.
