Rendered in hunter green and khaki recycled structural plastic, the Activity Playhouse is a quaint, spacious, lifelike set for children ages two to five and older. Featuring an educational panel for kids with developmental games and puzzles, an observation deck, a pirate's wheel, and plenty of seating, our charming and spacious playhouse is expansive, fitting up to fifteen to twenty children. With its distinctive style and craftsmanship, it'll instantly become the focal point of your playground or backyard. Fashioned like a ranch-style house with ground-level activities, the playhouse measures 21'6" x 21'6" and is a safe, charming alternative for children of all abilities.
