

Freestanding House Panel

MSRP \$1,033.00

SALE \$904.00

Highlights:

- Simple house backdrop
- Complete with two windows
- Great for inspiring pretend
- Creates an imaginative space to socialize

Age Group: 2 to 5 years

Children will enjoy peeking out their windows and watching the action in their “yard” with our Freestanding House Panel. Featuring two four-paned windows with shutters, and crafted from recycled structural plastic, the Freestanding House Panel adds interest to any green space, creating an ideal backdrop to encourage dramatic play. Suitable for children ages two to five and older, the panel can stand alone in a backyard or playground or be added to an existing structure. With its classic lines, old-fashioned charm, and easy-to-install design, the Freestanding House Panel will elevate your child-friendly space. Warm cocoa and bird-watching gear not included!
