The Magellan play system is the perfect way to bring out the explorer in any child. It has tons of fun and challenging activities for kids to traverse, including two Suspended Playshells, two Double Disk Cables, a Challenge Climb, a Stretching Ring, a NaviClimb, and a Twisted Trident. No matter how they want to climb, the multitude of activities contained in this structure ensure that they will find something that is perfect for them. Its durable commercial-grade materials ensure that the Magellan will be standing and intact even after years of usage. It is a welcome addition to any play area.
