The Peak Adventure is the pinnacle of playground fun. This sprawling play structure contains a bountiful collection of activities that provide all kinds of excitement for kids. The Active Link can be used to get from one side to the other by stepping or leaping from post to post, using the wacky and colorful footholds. On each side, they will find a pair of suspended playshells, which serve as hubs of activity which can be used to access the other features. These include a ton of curving climbers like the Twisted Trident, Swoop Climber, and Challenge Climb.
