Kids won't be the first to discover fun on the Columbus playset, but there is plenty here to be shared by all. The variety of different activities ensure that there is something for everyone, and their close placement makes it easy to navigate from one challenge to the next without touching the ground. The curving Challenge Climb that protrudes from the structure resembles a billowing sail, leading kids on a voyage to excitement and adventure. The other climbing activities offer many other ways to climb, for a healthy and well-rounded play and exercise regimen. It even has a twirling Helix Spinner.
