All aboard, mateys, and batten down the hatches for hours of imaginative play with our playground Ship's Bow. Install this lifelike and charming Ship's Bow as an independent activity or a playset-adjacent accessory to your structure. It comes in nautical blue with bright yellow ship's anchor accents and boasts an angled exterior. Children ages two to five will pretend to sail the high seas, collaborating to create dramatic play scenarios in which they act as captains, pirates, mermaids, and more. The ship's bow accommodates eight to ten people and measures 21'10" x 17'10". Made from sturdy, weatherproof plastic and durable hardware, the Ship's Bow will hold up to the elements and stay seaworthy through years of everyday use. This accessory is available in either inground or surface-mount options.
