Choo Choooo! Traverse the landscape in style with our gorgeous and lifelike Freight Train. Every kid's dream, the Freight Train features two cars connected by way of a crawl-through tunnel and fits up to eight children ages two to five comfortably. Rendered in hunter green plastic, and boasting incredibly detailed cutouts and accents, like spoked wheels, lacy curtains, an open caboose, and a plume of ivory smoke, the Freight Train is sure to facilitate hours of collaborative and dramatic play for kids of all ages. The Train makes the perfect addition to any park, schoolyard, or museum garden!
