Put on a show like no other with the Puppet Panel! The theater panel encourages dramatic play and makes the perfect accessory for budding actors seeking to test their storytelling skills in front of an audience of fellow students and peers. The panel features adorable depictions of an audience of animals, with a show curtain creating a border around the panel. A fabulous playtime tool for children ages two to five, the Theater Panel measures 4'6" x 1'6" and comes in both metal and wood options depending on your playground needs. The panel is ADA accessible and makes theatrical play attainable for children of all ability levels and dramatic interests.
