Come on through, kids, and enter your next adventure with the Crawl Through Tunnel. An excellent accessory that promotes physical and imaginative play, the Crawl Through Tunnel is perfect for children ages 6-23 months or 2-5 years and measures 4'6" x 3'0". With its asymmetric top border, peek-a-boo and walk-through porthole, and strong sides, it makes a great addition to an existing playset or a stand-alone playground focal point. The Crawl Through Tunnel is constructed of durable, weatherproof plastic and sturdy hardware, and built to withstand years of daily use. Ask about our available plastic color palettes to personalize your accessory.
