Watch as children “walk the plank” and hone their balancing skills with our Balance Beams. The low-to-the-ground, wide footing of the balance beam encourages kids to improve their gross motor skills safely. Ideal for kids ages two to five and older, the Balance Beam has a use zone of 21'0" x 15'0" and a fall height of 1'0", making it a safe way to play. The beam features two elevated planks, graduated in height, and is constructed from heavy-duty wood that can hold toddlers and young kids as they play. Your budding gymnasts will delight in hours of physical fun and games!
