Reminiscent of a dreamy, woodland shelter, the Hamlet is a cozy, eco-chic structure built for kids of all ages and ability levels. Made of 81% recycled materials, the Hamlet Playset is the perfect choice for environmentally-conscious consumers and administrators hoping to decrease their footprint and reuse materials.

Stylish, ethically-sourced, and functional, the Hamlet playhouse features an array of amazing play accessories, including a suspended bridge, a xylophone enclosure, an ADA accessible transfer point, a rock climber, a sand chute and sand wheel, a flower panel, a hideaway bench, and a double slide. And because it's ADA accessible, it features accessories to meet every child's needs, making kids of all ability levels feel at home. The Hamlet is an inclusive, mindful, and beautiful structure that seeks to help children build their self esteem while engaging their imaginations. It measures 26'6" x 32'0" and can hold between 25 to 29 kids comfortably.
