Kids will see themselves clearly with the innovative and unique Mirror Sensory Box. Watch as kids delight in admiring their reflections, and those of their peers, with an angled mirror that reflects visual cues, helping kids to develop their sensory skills and perception. The top portion includes safe, slotted handles that make repositioning a breeze. The mirrored box is idea for children ages 6-23 months and has a use zone: 48" x 16" x 21". This playtime accessory can entertain up to three children at a time and makes a fabulous addition to any preschool classroom, learning center, or daycare.
