With its unique and economical design, the Hideaway Playset is a fitting place for children to explore, adventure, and imagine in a world of their devising. Featuring a Bigtube Slide, Play Counter with Bowl, Crawl Thru Panels, and Playpod Pedestals, the Hideaway is an inclusive and eco-chic structure that boasts a wheelchair transfer station, recycled wood, and metal, and sustainable wood. It's large enough to accommodate sixteen to eighteen children and measures 23'6" x 28'0". And with a fall height of only two feet, it's safe enough for young children to traverse. Ground-level activities allow caregivers to join in on the fun and add areas of interest for kids of all ability levels.
