Create a hub for discovery with our eco-chic and inviting Hub Playset. This handsomely-crafted structure features many fun accessories, including a DuoChute Slide, Whistle, Rock Climb, Wave Panel, and Connecting Tunnel. Constructed of 54% FSC content, the wood jungle gym is ideal for children ages two to five and can hold up to twenty children comfortably. Wheelchair-accessible entry makes the playset ADA compliant, so that children of all ability levels can participate in active and social play. The set has a fall height of three feet and a use zone measuring 29' 1" x 23' 5". Stylish metal and recycled plastic details make the playset a welcome focal point to any schoolyard or playground.
