Enter an exciting playscape full of fun activities with the charming, distinctive Alcove Playset. This play structure is perfect for schools and parks looking for a structure with lots of slide action. The Alcove features a curved DuoChute Slide and a SoloChute slide, meaning three kids can zip and race to the bottom at the same time. The wooden Alcove model is constructed of 61% Forest Stewardship Council Certified Wood content, making it a sustainably-sourced option. Not to mention, plastic details are rendered recycled milk jugs and include scrap metal. Accessories include an Enclosure with Big Wheel, Whistle, a Slide pole, Vertical Access Climber, two slides, and Activity Rail. The use zone measures 34'11" x 27'3" and can fit up to twenty children at a time.
