Kids reign as kings and queens of the castle with the Fortress Playset. With its sprawling design, classic style, and smart details, the Fortress is a traditional play structure for modern families. Its wood layout is constructed from 72% Forest Stewardship Council Certified Wood content, with sustainably-sourced recycled plastic and metal elements. The Fortress features a whopping eleven interactive activities, including two slides, a Net Cargo, a Climb Wall and Rope, a Big Tunnel, Wave Panel, Stepping Stone Bridge, and much more. The play structure holds up to 35 children, so that teachers can bring their entire class out to play. ADA accessible, the Fortress accommodates for lords and ladies of all ability levels. Its sturdy design will hold up to years of everyday use and continuous active play.
