Invite children to explore in an open-air, activity-packed structure with the Terrace Playset. This unique design allows teachers, parents, and caregivers to watch as children engage in physical and social play. This sprawling set features four awesome activities: an Overhead Ladder, Modular Stairs, a Rock Climb, Big Wheel, and DuoChute Slide, upon which kids can race to the bottom. The structure features a sustainable design, constructed from 76% Forest Stewardship Council Certified recycled content, and it also boasts recycled plastic and scrap metal details. The Terrace Playset makes an excellent choice for parks and large schoolyards. It has a wheelchair access point so that children of all ability levels can join in on the fun, and it accommodates up to 25 kids.
