Dial up the fun, and “Let the sunshine in,” for children ages five to twelve, with the Sundial Playset. One of our largest playscapes, the Sundial accommodates up to 80 children and features a slew of 28 exciting activities, including many slides, interactive panels, multiple climbers, bridges, and much more. The set’s use zone measures a whopping 63’6” x 47’0” and is constructed from 64% Forest Stewardship Council certified wood content, making the sprawling Sundial model a sustainably-sourced choice for your schoolyard, playground, or daycare center. The playset includes a wheelchair transfer station so that children of all ability levels can participate in the social and physical play!
