Kids will enjoy hanging around or climbing to new heights, with the Criss Cross active playset. This simple, space-saving, and engaging playset is composed of a vertical obstacle course to test kids' physical skills, balance, and endurance. The use zone measures 41'6" X 32'0" and accommodates up to 30 kids comfortably. Ideal for slightly older children--ages five to twelve--the Criss Cross is a great playset for older elementary school children and makes an excellent addition to parks or middle school green spaces. Vertical climbers and accompanying accessories test agility and strength and encourage children to bond in social play. A great playset for kids of all ages, the Criss Cross is sure to enhance your playground for years to come.
