Bounce into active fun with the Compact PlayPod Maze. Ideal for kids ages five to twelve, this fun series of dynamic climbing events will give children a space to explore and practice their balance and hand-eye coordination skills. The varying heights of the PlayPod Maze mean that children will develop their upper body strength and engage in social and physical play, safely supervised by caregivers, while creating their games and imaginative scenarios. The Maze comfortably accommodates up to nine children, and it has a use zone measuring 20'6" x 18'0." Sturdy hardware and frame mean that the Maze will withstand the elements and hold up to years of everyday use.
