Kids will pull up a chair and socialize with friends with this charming Table and Chairs set, perfect for children ages fourteen months to three years. Durable and built to last, with no exposed hardware, and safe, rounded edges, the MyValue™ Table and Chair Set puts parents' minds at ease by providing a quaint and sturdy space for children to draw, read, assemble puzzles, and play games. Protective boots prevent sliding and floor scratches while reducing noise and make for easy mobility. The Toddler MyValue™ Table and Chair set comes with a 28" square table, with four matching 5" high chairs to provide plenty of room while accommodating the needs of little learners. The Preschool size is 20" tall with the same 28" square table and 11" high chairs. Some easy assembly is required. When ordering, please specify your preferred color code and table height.
