Kids will delight in having their very own space to play and learn with the Natural Wood Collection Rectangle Table and Chair Set. This set features solid construction, a natural finish, and is built with kids' safety in mind, so it has no exposed hardware and safe, rounded corners and edges to protect toddlers and elementary students as they develop their gross motor skills. The plastic glides on tables and chairs ensure that your carpets and floors remain snag and skid-free. The Natural Wood Collection comes with four lovely matching chairs with low legs that double as armrests and modern design. This set comes with a five-year warranty, with some light assembly required. Perfect for a classroom, daycare center, and playroom, your children will enjoy playing at the Rectangle and Chair set for years to come.
