Kids can take a nap, comfort, safety, and style with this Germ-Free, One-Inch Three-Section Rest Mat. Designed with sanitation in mind, this mat is wholly sealed using radio-frequency technology to resist bacteria and germs, making it an innovative and healthy choice for children and toddlers. It features waterproof seals between foam sections and around all edges to provide total protection and product longevity. Plus, this easy-to-clean durable vinyl cover comes in a dual-color combination to easily assign sleeping and floor sides to small children and toddlers. The rest mat is sectioned for easy folding and storage, making your classroom or daycare center organized and tidy, with clean up becoming a breeze. It comes with a three-year warranty to provide utmost customer satisfaction and peace of mind! It's sold individually or comes in packs of five for childcare providers.
