

Angeles Changing Table with Locking Stairs

MSRP \$1,629.00

SALE \$1,304.00

Highlights:

- Rail edges the stairs to help steady children
- Stairs allow older children to climb up saving your back
- Plenty of storage space underneath for all necessary changing tools
- Stairs have grip strips to keep children from slipping

Age Group: 6 months to 3 years

This Changing Table is safe, durable, and perfect for your little bundle of joy. The table features an easy-to-clean, single-piece molded top that's simple to maintain. And it has been built without sharp corners or crevices that might harbor dirt and bacteria, making it a healthy choice for you and baby. Plus, the 7-inch diameter changing well allows for a 1-inch thick mat, while still meeting the 6-inch diameter requirement. Additionally, the table boasts roll-out stairs with a safety lock that snaps into place, eliminating back strain from lifting growing toddlers--an especially important feature for caregivers watching multiple children. The sturdy wooden storage shelf underneath will keep your changing accessories organized and within close reach. And this set comes with one roll of sanitary paper and a one-inch changing table pad. The table accommodates up to 100 pounds and will ship to you fully assembled. All you have to do is click, order, and enjoy! Sometimes the easy thing is also the best thing.
