Make transporting cots in your daycare center or preschool easy and organized with our Universal Cot Carrier. This model is made to fit all of our Angeles cots, holding up to 24 cots at a time. Plus, it's adjustable to accommodate both standard or toddler cots, making it a boon for busy teachers and daycare center professionals who facilitate nap and rest times for a wide age range of children. Its 2" casters allow for easy maneuvering, streamlining break times for classrooms with broods of rambunctious toddlers. Use the cot for both transportation and storage, and easily pack it up in a closet, cabinet, or corner. This model is affordable, requires no assembly, and guarantees customer (and kid!) satisfaction. Please note: this cot carrier is for adult use only.
