This space-saving and comfortable design makes an ideal addition to your classroom. Our SpaceLine Cots allow nearly double the cots to be nested in each stack, making this accessory the perfect nap time companion for classrooms and daycare centers in need of an economic and streamlined napping systems. Made with comfortable, strong bleach-cleanable fabric and fully enclosed ends, the Cot will give your students/kids a relaxing, affordable, and sturdy place to rest. Thanks to the heat-sealed seams, the Single Cot has no loose threads. And it can accommodate up to 110 pounds, making it ideal for toddlers and grade school kids. Our cots come in toddler and standard sizes, in a variety of pretty and calming hues like Teal Green, Ocean Blue, Sand, or Wedgewood. And they're stackable for easy clean up and swift organization. The SpaceLine Cots ship fully assembled and guarantee customer satisfaction.
