Transform your stacked SpaceLine cots into a retro-meets-modern, adorable activity center. This vibrant and educational set includes 20 standard SpaceLine cots, one cot carrier, one flannel activity panel with thirty flannel shapes, one pegboard activity panel with 25 pegs, one magnetic write-and-wipe activity panel with 30 magnetic letters, one preschool brick-compatible activity panel with 36 MEGA® Bloks, and one activity top. This is a wonderful classroom accessory because it allows you to utilize what would otherwise be merely storage space, creating a fun and engaging play space for toddlers and young children to play quietly and collaborate. Kids can store their blocks and letters in the tray at the bottom of the boards, keeping everything neat and organized. It requires no assembly and guarantees customer satisfaction. It comes in a variety of calming hues like Teal Green, Ocean Blue, or Wedgewood.
