It may be wise to avoid judging a book by its cover. But, there's no denying that a display of colorful and inviting books will encourage children's love of reading! This easy-reach display boasts four-tiered shelves and a four-inch-high section to store additional books and educational materials. The unit is composed of 11-ply birch with durable UV finish, with a clever cover-forward display. And the Toddler Book Display guarantees customer satisfaction and will make a wonderful addition to any classroom, library, or learning zone. For example, use it to advertise reading themes and book fairs. Or, pull well-loved books from their place hidden on the shelf and arrange them with the Toddler Book Display to encourage kids to explore their pages. Consider buying multiples to highlight even more novels and treasures. This product comes fully assembled for your convenience and immediate use.
