Unit Size: 48" x 32"

Pretty and practical, the Pegboard Room Divider helps to divvy up a room with style and ease. This functional device can transform a classroom into a learning enhancement center by helping to define separate spaces and learning nooks, promoting exploration and adventure. The pegboard features 1/4" holes and boasts a solid hardwood frame that can be displayed vertically or horizontally. The natural wood finish is rich and timeless and complements any decor or classroom design. The Pegboard guarantees satisfaction and comes fully assembled, so you can set it up and start building! This model also comes in clear-panel and whiteboard versions to foster even more creative possibilities. The pegboard will facilitate social interaction, creativity, and educational development and is a wonderful tool for classrooms, libraries, and homeschool learning centers.
