This Changing Table Paper Roll Holder is an invaluable addition to any changing table, which makes one of the messiest parts of child care a little bit more convenient. This handy paper roll holder can be used to cover the surface of the changing table with disposable paper. The paper catches any unfortunate messes, and can then be torn off and thrown away. This will save you tons of time which would be spent cleaning off the changing table. This Changing Table Paper Roll Holder comes with one large roll of paper to get you started. Additional rolls can also be purchased separately. The roll is attached to a storage cabinet which has two shelves, which are perfect for keeping essential items like diapers, wipes, and baby powder close at hand. The shelf can be installed without the use of any mounting hardware whatsoever.
