Mudpies have never been so sophisticated with the Island Mud Kitchen. Emblazoned with signage and rendered in hunter green plastic, the Mud Kitchen features four removable steel bowls, perfect for budding mud chefs whipping up their latest concoctions. A shelf underneath the stove space provides ample room for kids to store supplies like cookie cutters, dishes, decorative rocks, candles, pebbles, sticks, flowers, and other pie-making accessories and nature finds. A truly unique and adorable playtime model, the Island Mud Kitchen accommodates at least four children at a time and provides a creative outlet for kids seeking to explore their environment using the materials around them. Four pretend burners add charm and interest and provide an assembly area for your little mud bakers! Accessible to children of all ages and ability levels, the Island Mud Kitchen is an inclusive and engaging toy that will hold up to many years of imaginative fun!
