This Living Room Set contains everything you need to make a stylish and comfortable lounge area for children. It contains a sofa built for two kids, a matching Chair for individuals, and even a Coffee Table, where they can put their drinks or snacks. This furniture set looks great with any room decor. The cushions are soft and comfortable, but still durable and easy to clean. The table, as well as the framework of the chairs, have a protective UV finish which make them resistant to scratches and scuffs, as well as spills and stains. All of these pieces of furniture are lightweight and easy to move from one room to another as needed. Wherever they go, kids will love having their own space to read, eat, relax, or socialize.
