

Scrambler Climber

MSRP \$1,798.00

SALE \$1,511.00

Age Group: 5 to 12 years

Footprint: 6' long x 7' wide x 7' high

Use Zone: 17' x 19'

The Scrambler playground climber is designed to advance gross motor skills and agility in children 5 to 12 years of age. Two bilateral staggered aluminum nets allow for natural and safe climbing. This unit is 7' H x 7' W x 6' L. Choose from galvanized steel or a custom color. Freestanding equipment such as the Scrambler Climber provides your playground with more play options for a minimal financial investment.
