Compact, with a beautiful sound, the Babel is sure to add resonant melodies to your outdoor space. Featuring six lovely notes, the Babel Drum is simple to play, creating a variety of tones and rhythms that will echo through your school, park, or museum's green space. Tuned to a C major pentatonic scale, it creates warm, pure sounds with superb clarity. The Babel Drum can be mounted using in-ground or surface mounts. For elderly and special needs drummers, mallets can be used to produce more sound and can be purchased separately. With the Babel Drum, patrons will engage in social play, enhance their creativity, and gain confidence in their musical abilities. Music, through drumming, is an excellent way of connecting the community.
