Age Group: 2 to 12 years and Adults

Unit Size: Width: 10 - 14" Min Height: 24" Max Height: 30" Measurements are for each individual djembe.

Artful and modern, with a bright tone that resonates around the rim, the Djembes feature large drum heads that provide beautiful color and enable multiple-player use. Novice and seasoned drummers alike will discover the set's impressive range by hitting the djembes in different places, creating a broad musical palette—from low and warm, primal beats, to high and sunny rhythms. The sleek, stainless steel body brings urban chic to any green or industrial space while delivering optimal music performance. Constructed from sturdy, weatherproof materials, the Djembes will stand up to the elements, providing concert-worthy sound all year long.
