MSRP \$197.00

SALE \$173.00

Highlights:

- Durable, tough recycled plastic materials
- Only available in the color black
- Fits all square Frog Furnishings receptacles
- Also available for round receptacles

Keep your trash where it belongs and keep your park, playground or school looking clean with the Frog Furnishings Square Top Load Rain Bonnet Lid. This lid will fit any 32 gallon or 55 gallon square Frog Furnishings trash receptacle. With the help of this lid, you can be sure trash doesn't fly back out once it's been thrown away. You can also keep rain, snow and other precipitation out, which will keep your trash lighter, drier and far less smelly. Made from a combination of recycled plastic and Resinwood, Frog Furnishings has designed this lid to be more than just functional. It's also durable and surprisingly attractive. The rounded top adds a pleasant design quality to the already good looking receptacle.

If you have a round Frog Furnishings trash receptacle, you can use the Frog Furnishings Round Top Load Rain Bonnet Lid instead.
