The 5-Foot Straight Single Piece Free Standing Slide keeps children in motion. Making your yard or playground stand out is what this slide does best. It comes in several unique color variations sure to accentuate any space and draw a kiddie crowd. Kids who enjoy slides will be at home with this exciting unit. It's made of robust, rotationally-molded plastic, keeping it strong even after daily use. The steel posts that hold the structure firmly prevent swaying and resists rusting with its powder-coat paint. The slide's design exudes safety and durability; allowing the fun to continue for an enormous amount of time. Children in preschool and up will feel welcomed and very eager to test out what the 5-Foot Straight Single Piece Free Standing Slide has to offer. Surely, they will not be disappointed in all the excitement this slide generates.
