The Two Panel Craggy Island Climber allows children to unlock their most adventurous of fantasies. Whether it's reenacting Moana and Maui climbing to the opening of the realm of monsters or pretending they're the hero on their way to save the day, the fun provided by the Two Panel Craggy Island Climber is only limited by a child's imagination. With grooves, holes, and hand-holds designed into the piece, children have many ways to work their way to the top. The Two Panel Craggy Island Climber also helps in the development of fine-motor skills, gross-motor skills, social skills, as well as aiding in the development of imagination and attention. This fun, yet simple piece is available for quick-ship in your choice of the neutral or primary color palette, or can be customized in color to your own design.
