

Surface Mount Assembly for Trash Receptacle

MSRP \$93.50

SALE \$80.00

Highlights:

- Lightweight and easy to install
- Keeps trash cans upright and straight
- Prevents theft or moving of receptacles
- Prevents trash receptacles from tipping over

To offer a little bit more stability to your portable bins, Webcoat has designed the Surface Mount Assembly for Trash Receptacle. It is crafted from durable steel and weighs only 10 pounds so installation is a breeze, yet it provides enough stability to stand up against constant use and harsh weather. Not only will the assembly hold your trash cans in place, but it will also keep them from being stolen as well. Whether you need one or several dozen, these offer the perfect solution for schools, parks, amusement parks, malls, or any other place that experiences a lot of foot traffic as large crowds can sometimes also knock over trash bins. It is available in a wide variety of colors so you can choose one that will match your receptacle, benches, tables, or other outdoor décor. This mount fits Webcoat trash receptacles of various sizes. Specify a size after accepting a formal quote with shipping costs.
